

JIHEE LEE

Stony Brook, New York | +1 (631) 406-3021

Email: Jihee.lee@stonybrook.edu | LinkedIn: www.linkedin.com/in/jiheelee1

Education

Stony Brook University

Bachelor of Science (Double Major): Applied Mathematics & Statistics and Technological Systems Management

GPA: 3.95 / 4.00

Key Coursework: Optimization, Probability, Statistics, Financial Mathematics, Data Mining

Stony Brook, NY

Expected May 2026

Ghent University Global Campus

Coursework in Molecular Biotechnology (Transferred)

Incheon, Korea

May 2020 – Jun 2023

Research Experience

Generative AI for Portfolio Optimization – AISI

Stony Brook University

Stony Brook, NY

Aug 2025 – Present

- Contributed to portfolio analysis experiments using Python, focusing on risk-adjusted performance comparison.
- Assisted in building data pipelines for financial time-series analysis and simulation-based evaluation.
- Explored optimization-based approaches under guidance to analyze portfolio behavior.

Professional Experience

Asia Pacific Disaster Resilience Center (APDRC)

Disaster Resilience Research Intern

Seoul, Korea

Feb 2025 – Jun 2025

- Supported data organization and analysis related to disaster and environmental resilience projects.
- Contributed to data-driven content development and digital information platforms.

Stony Brook University
